

EXHIBIT INFORMATION
2020 ANNUAL CONVENTION
NEBRASKA WELL DRILLERS ASSOCIATION
NEBRASKA ON-SITE WASTEWATER ASSOCIATION

The Younes Conference Center is located in Kearney, NE at 416 Talmadge Road. The event center is large, well lighted, carpeted and heated. Electrical hookups, consisting of 120 volts (240 volts is not available). Walk-in doors and a large overhead door are located on South side of building for unloading and loading. No forklift will be available for moving equipment.

All booths are 9' x 10'. All booths are equipped with drapes supported on pipe frames. Background is 8' high; side dividers are 42" high. A table and two chairs are provided, but extra booth equipment is available through the decorating company. Contact Construction Rental at 308-234-4883 with your requests.

Exhibits should be shipped prepaid well in advance to assure delivery. Address as follows for shipping freights and/or express:

** Construction Rental (30-day storage)
c/o Nebraska Well Drillers Association/ NOWWA
2601 Ave. N
Kearney, NE 68847
Phone: 308-234-4883

** Mark shipment to be held and delivered to the Younes Conference Center after 12:00 p.m. on Tuesday February 11, 2020.

Exhibits may be installed after 12:00 p.m. on Tuesday, February 11, 2020, and must be ready by 10:00 a.m. on Wednesday, February 12, 2020 Exhibitors will be expected to have their displays open from 10:00 a.m. to 4:00 p.m. on Wednesday and from 10 a.m. to 12:00 p.m. on Thursday.

Exhibits cannot be removed before 12:00p.m. on Thursday, February 13, 2020. Exhibits must be removed from the exhibit hall by 5:00 p.m. on Thursday, February 13, 2020.

The Younes Conference Center will have outside exhibit space directly across from the main entrance to the exhibit hall for drilling rigs, pumper trucks, service vehicles and other large equipment for the following price:

Minimum purchase of 1 inside booth and \$50 per vehicle.

The Younes Conference Center has the unique ability to also offer first class upscale lodging options that are also owned and operated by Younes Hospitality. The Fairfield Inn & Suites - (308) 236-4200 and the Comfort Inn - (308) 236-3400 are both connected with enclosed concourses to the Conference Center and adjacent properties include Hampton Inn - (308) 234-3400. Please specify that you are with the convention when you call for reservations.

Your payment MUST accompany your reservation. Send your check promptly to:

Terry Jordan, 1233 Lincoln Mall Suite 201, Lincoln 68508

Or if you wish to pay by credit card, please let Jason know at jason@h2oboy.net

September 16, 2020

Ladies and Gentlemen:

The 2020 Annual Convention for the Nebraska Well Drillers Association / Nebraska On-Site Waste-Water Association promises to be bigger and better than ever. This event, since relocating to the Younes Conference Center in Kearney, has drawn rave reviews along with a sold-out trade show floor and record crowds.

Although the convention facility and surrounding hotels all faced damage caused by flooding in Kearney over the summer months, the staff of Younes and the community of Kearney have worked together to repair the damage. The convention center is already up and running and the hotels will reopen soon.

This year's convention is on February 11th, 12th and 13th, 2020, at the Younes Conference Center in Kearney NE. Tuesday, February 12, 2019 is the set-up date at the Conference Center. The set-up time will be from 12:00 p.m. to 5:00 p.m. that day. Deliveries and other details are on the attached "information" sheet.

The convention hours will be from 10:00 a.m. to 4:00 p.m. on Wednesday and from 10 a.m. to 12:00 p.m. on Thursday, to give you maximum time for customer contacts. The booth space will be \$450.00 per booth which includes one 9X10 space with drapes, and a table with two chairs. An Affiliate membership fee, which is included in the cost of your booth, is required of all exhibitors. This fee goes to the Contractors' division of the Well Drillers Association to help defray expenses for future contractor workshops, coordination, and legislative lobbying activities to protect industry interests, printing expenses, postage, telephone costs and numerous other costs of operating an involved Association.

The Conference Center facilities allow the Associations to conduct all CEU Training on site and education programs will be developed before and after show floor schedules to avoid conflicts and to encourage full attention to you and other exhibitors. In addition, with two of the three hotels (with the 3rd being just a few feet away), being connected to the event center you won't have to worry about parking at multiple sites or dealing with inclement weather.

There also will be outside space to accommodate vehicle and equipment display. Fees for equipment are noted on the reservation form. If you are interested in outdoor space, please note it on your registration form.

The Executive Committee of the Association has agreed that NO HOSPITALITY ROOMS will be opened nor other EXHIBITORS' FUNCTION be conducted during the convention which might detract from the convention functions being carried on during this year's convention. In addition, there are to be NO raffles or drawing for prizes, but there are no objections to gift-type items bearing the company logo or name.

In 2019 we replaced the annual banquet on Wednesday night with a reception immediately following the last classes of the day. The response we received was very positive. With this being the case, we will continue with this new event which will allow you the time to take your customers out to dinner that evening. We hope to see you at the reception.

Would you like additional recognition at the Trade Show and Convention? This year we continue to give you the opportunity to have your company recognized as a sponsor for part of the 2020 Water Industries Convention and Trade Show. By sponsoring an event, you will have your name listed in our program as a sponsor for that event and you will receive recognition at that event as a "Thank you" for your support. See "registration form" for pricing options.

Sincerely,

Terry Jordan
Event Chairperson
